CarAudio Connect FM Bluetooth©

Make Calls and Listen to Your Playlist Through Your Car Stereo

Overview

Make Calls and Listen to Your Playlist Through Your Car Stereo

Simple Set-Up

Make hands-free calls and play music from your playlist directly through your car speakers. CarAudio Connect FM Bluetooth® instantly connects your smartphone to your car stereo—no need for professional installation. Simply pair with your phone using Bluetooth® and connect to your car stereo using FM transmission.

A nighttime light makes it easy to see at all hours. Plus, the power adapter with USB port lets you charge your smartphone while you drive.

Loud & Clear

Features

- Routes calls and music from a smartphone through car speakers
- Seamlessly switches between calls and music
- Embedded microphone mounts anywhere on the dashboard for the best voice pick-up
- Bluetooth® wirelessly connects to smartphone
